SUCCESSFUL TAKEOVER BID BY QUADEEC ON RESILUX

Wetteren, Belgium - 9 May 2022, 08.00 a.m.

Quvadeec NV ("**Quvadeec**" or the "**Bidder**") and Resilux NV ("**Resilux**" or the "**Target**") announce today that the Bidder has acquired 1,917,314 (95.60%) shares in the Target after the closing of the initial acceptance period of its mandatory public takeover bid (the "**Bid**") on 5 May 2022. The Bidder thereby exceeds the threshold that allows the Bidder to launch a simplified squeeze-out bid.

On Monday 16 May 2022, the Bidder will pay the bid price to the shareholders who contributed their shares during the initial acceptance period of the Bid.

From Tuesday 17 May 2022 up to and including Tuesday 31 May 2022 at 16:00 shareholders who have not yet tendered their shares in the Bid will have the opportunity to obtain the bid price of EUR 235 per share through their financial intermediary. Thereafter they will have to request payment from the Deposit and Consignment Office.

Payment of the bid price for the shares offered during this final acceptance period will be made no later than Friday 10 June 2022. Shares not tendered at the expiry of this acceptance period will be deemed to have been transferred to the Bidder by operation of law. The funds necessary to pay the bid price for the shares so transferred will be deposited with the Deposit and Consignment Office in favour of their former owners. After the closing of the simplified squeeze-out bid, Euronext Brussels will proceed to the delisting of the Resilux shares (RES) ex officio on Wednesday 1 June 2022.
